

**Integrated exit
program for prison
and probation**

Way Out

ROUNDTABLES

15 roundtables organised in
France, Portugal, Germany,
Netherlands and Belgium

www.wayout-prison.eu

The background of the top left section is a photograph of a road at night with white arrows painted on the asphalt, pointing towards the horizon. The title 'WayOut' is written in a large, white, sans-serif font, with the 'O' in 'Out' being a circle.

WayOut

Duration of the project : 2 years (2019-2020)

The WayOut - Integrated Exit Programme for Prison and Probation project aims to improve and facilitate the implementation of exit programmes (EPs) by building a common framework to evaluate them and proposing methods, way of working, preconditions based on learned lessons with proven effectiveness.

A photograph of a woman with dark hair, wearing a grey sweater, sitting at a desk and working on a laptop. She is looking down at the screen.

Objectives

- To provide a detailed account of the current state of the art in deradicalisation research and other relevant disciplines related to desistance and rehabilitation;
- To develop a common framework to systematically evaluate exit programmes;
- To create an integrated programme based on approaches with proven effectiveness;
- To develop a training course on exit strategies to practitioners;
- To raise awareness among law enforcement officials about the benefits of implementing such programmes.

15 roundtables

TARGET

3 national roundtables are organised in 5 countries :
France, Portugal, Germany, Netherland and Belgium

According to the type of target group: one for prison staff, one for probation professionals, and the third for community organisations' practitioners.

OBJECTIVES OF NATIONAL ROUNDTABLES

The purpose of these national roundtables is to involve different groups of professionals (judicial supervisory judges, probation, community organisations, and prison staff) to:

- 1) Facilitate a better dissemination and raise awareness to the problematic of radicalisation and the existence of exit strategies;
- 2) Discuss practices;
- 3) Define recommendations;
- 4) Made the information on best practices available to the general public.
